

Helping Your Child Become More Giving

What You'll Learn

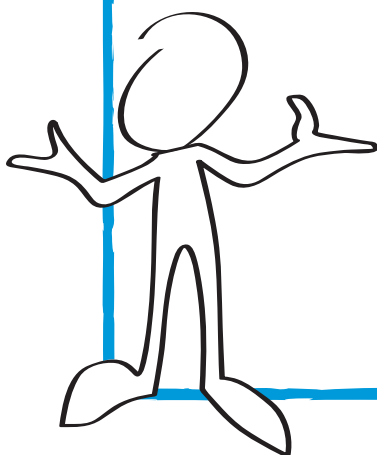

1. How to describe how parents influence young people's giving
2. The percentage of young people who give and volunteer when their parents and siblings do
3. Whom a charitable organization serves

Talk about It

Ask your child:

- How often do you help others? Why?
- How do you decide when to help others?
- How have you enjoyed helping others the most?

My Notes:

Visit www.bankit.com for more information on making positive money choices.
