

Understanding Investing

What You'll Learn

1. How an investment can grow in value
2. What the Rule of 72 is
3. Why games of chance are not good investments for building wealth

Talk About It

Ask your teenager:

- What do you think are good investments? Why?
- Why are gambling and playing games for money not good investments?
- How can I help you learn more about investing your money well?

My Notes:

Visit www.bankit.com for more information on making positive money choices.
