

Finding Support as a Parent

What You'll Learn

1. What makes a person supportive
2. Different places where there are supportive people
3. How to name a person who supports you

Talk About It

Ask your teenager:

- In which ways do you like how I support you?
- How can I be even more supportive?
- Which adults support you?

My Notes:

Visit www.bankit.com for more information on making positive money choices.
