

Succeeding with Your Money

What You'll Learn

1. How the amount of money you have affects the choices you make
2. What it means to succeed with your money
3. What it means to be a financially responsible person

Talk About It

Ask your teenager:

- Which money choices are you most proud of? Why?
- What's your biggest money challenge right now?
- What one step can you take to make better money choices?

My Notes:

Visit www.bankit.com for more information on making positive money choices.
