

# Developing a Budget for Teenagers

## What You'll Learn

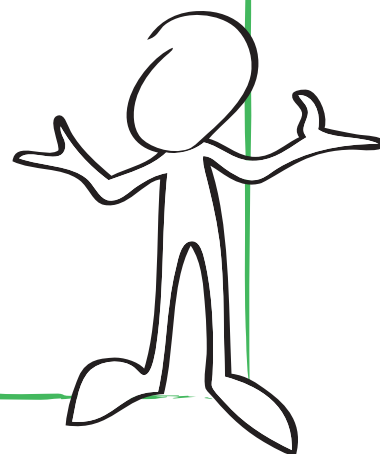

1. What a budget is
2. Why a budget is important
3. Expenses included in a family budget

## Talk About It

### Ask your parents:

- When have you created a plan (or budget) to use your money?
- What makes a budget work for you?
- How can I create a budget that works?

My Notes:

Visit [www.bankit.com](http://www.bankit.com) for more information on making positive money choices.
