

Save Well

Saving Your Money

What You'll Learn

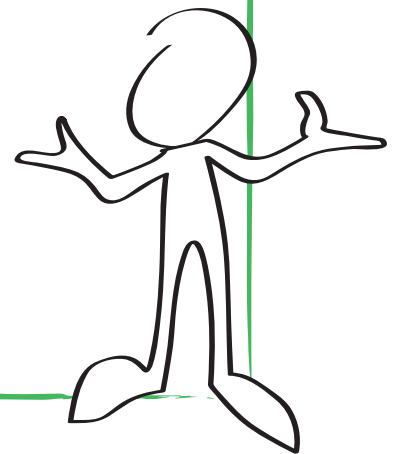

1. Advantages and disadvantages to saving
2. Ways people can cut spending to save
3. How to identify a savings goal

Talk About It

Ask your parents:

- Have you ever saved for something? If so, when?
- What has been your experience with saving?
- How can you support me in saving for something special?

My Notes:

Visit www.bankit.com for more information on making positive money choices.
