

A Savings Plan for Teenagers

What You'll Learn

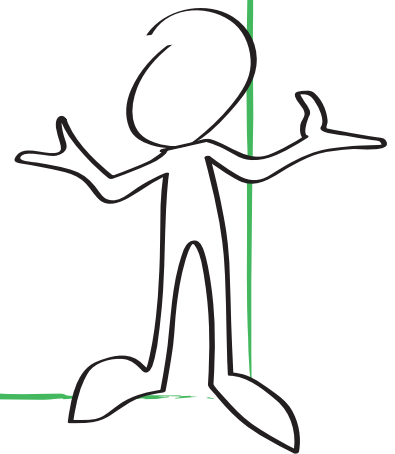

1. What a savings plan is
2. A place that offers savings accounts
3. How saving is part of a personal budget

Talk About It

Ask your parents:

- What are you saving for?
- What is your experience in using a savings plan?
- How can you support me in following my savings plan?

My Notes:

Visit www.bankit.com for more information on making positive money choices.
